

Commemorative Light Display 2026 SCHEDULE

A custom-designed, 10' wide by 6' high LED lighted lawn display commemorating America 250 IN Noble County has been crafted to help Noble communities raise awareness and celebrate America's 250th Anniversary this summer! The project has been sponsored by donors to America 250 IN Noble and the Mid-America Windmill Museum in Kendallville. Museum volunteers will provide all necessary transportation, delivery, set-up, take-down, extension cord(s) and timer to place this display in various locations across Noble County.

Below is the initial travel and exhibiting schedule including OPEN SLOTS that are available. If your community or organization is listed, or is interested in joining the list, please **send the following details to america250innoble@gmail.com** so that logistical details can be arranged in advance of arrival.

ALL HOSTS MUST CONFIRM:

Desired display location with access to an electrical outlet within 100'. Contact person, phone number and email address. The display will be anchored with stakes in the ground up to 18" deep. Choose placement carefully!
